

**MU Bags** are a **revolutionary** approach to the safe and practical storage of your tools of trade. It provides immediate access to your equipment from a **convenient, secure** and **comfortable** pocket. The MU bag fits snugly to your body and is made from durable, flexible and washable neoprene.

*"Being a primary school teacher, running around the classroom non-stop, I love that my MU bag is comfortably snug on my hip with everything I need always within arm's reach. It conveniently keeps pens, textas, stamps, keys, stickers, notepads and plenty more. The best part is that it can be transferred from the classroom to outside yard duty holding first aid equipment, whistles, phone etc. The MU bag is an essential accessory for any teacher."*
